RE: Petition of Tennessee American Water Company to Change and Increase Certain Rates and Charges So As to Permit It to Earn a Fair and Adequate Rate of Return on Its Property Used and Useful In Furnishing Water Service to Its Customers, Docket No. 04-00288

Dear Chairman Miller:

I received a first class letter sent through regular mail today concerning data requests in the above proceeding. The letter was dated January 14, but it was not received in my office until today, January 18, 2005. The due date for the responses to the data requests was stated as January 21, 2005, three days from the date of delivery. I spoke with Aster Adams, the contact person on the letter, this morning. I requested that he extend the due date by four days to January 25, 2005 to compensate for the 4 days that it took to be delivered. He agreed to extend the due date by 4 days to January 25, 2005. If you have questions regarding this extension, please do not hesitate to contact me.

Sincerely,

Paul T. Diskin
